Eric,

Sounds good. I just wanted to verify the plan with you. Go ahead and proceed as planned. We will process the TA. Thanks for the quick response.

Regards,

Eric M

We are not working Memorial Day. The holiday. However we need to prep to jack hammer all three areas of concrete on May 29th while the business is closed. If we don't work that day we can't continue work planned for Tuesday.

Regards,

Eric

Eric,

While reviewing your TA request...I have some questions about the days you expect to work. I may have missed the meaning of your expected work schedule when shared with me earlier. I would prefer that you do not work the Holiday weekend (Memorial Day). My standard has been that if the action is operationally critical and a shutdown would impact the safety and health of your responders or the community or the operation cannot be physically stopped once started, we would allow the work to continue. Otherwise, I would expect the site to be shutdown for the observance of the Holiday. Speed is not necessarily in of itself a reason to continue the work over the weekend and through the Holiday.

Let me know if you truly need to work the Holiday weekend.

Thanks,

Eric M

Subject: TA request for Niagara Falls Boulevard

Good Morning Terry and Chrissy:

I need a TA for Niagara Falls Boulevard Removal Action. I'm not sure if there is an account number yet. We received a verbal Friday the 13th.

Travel date is May 23rd and return date is June 10th.

GOV use (can you please verify the keys are back for the reserved vehicle?)

I made hotel reservations weeks ago but I cannot get GOV rate for Friday through Sunday. I still need to do a three hotel search but those days are going to be expensive. Especially Memorial Day weekend.

Thanks.

Regards,

Eric
